A timely Response was filed by the Applicants to the Office Action mailed April 29, 2004 on September 29, 2004 (hereinafter "the 9-29-04 Response"). In the April 29, 2004 Office Action, the Examiner rejected the pending claims and further noted that the oath or declaration was apparently defective. In the 9-29-04 Response, the Applicants substantively addressed any prior-art rejections advanced by the Examiner. With respect to the apparent defect noted by the Examiner in the declaration, the Applicants pointed out in the 9-29-04 Response that the Applicants were in the process of locating the inventor and that a revised declaration would be submitted as soon as it was available to the undersigned attorney.

The Applicants recently received the revised declaration, and are thus submitting with this Supplemental Response the revised Declaration that addresses the concern raised by the Examiner.

Since a substantive Response addressing the Examiner's rejection was properly and timely filed on September 29, 2004, it is believed that **no fee** is required. However, **should any fees under 37 C.F.R. §§ 1.16 to 1.21 be required for any reason, the Commissioner is authorized to deduct said fees from Williams, Morgan & Amerson, P.C. Deposit Account No. 50-0786/6000.000700.** Should any additional fees under 37 C.F.R. §§ 1.16 to 1.21 be required for any reason, the Commissioner is authorized to deduct said fees **from Williams, Morgan & Amerson, P.C. Deposit Account No. 50-0786/6000.000700.**
